

PEER-LED RESOURCE CONNECTION HUBS

GOAL: People on the cusp of homelessness or newly experiencing homelessness are able to identify and access needed resources

HUBS

Peer-led spaces where people receive compassionate, **individualized support** identifying & **accessing needed resources**

IMMEDIATE OUTCOMES

- Individuals feel trust, support, safety and care
- Increase sense of hope & efficacy to address their situation
- Feel clear on their next steps
- Able to identify the exact resources they need

INTERMEDIATE OUTCOMES

- Individuals connect with and receive services they need
- Maintain access to resources
- Sustain engagement in care

LONG-TERM OUTCOMES

- Individuals maintain housing stability
 - Spend less time unhoused
- Lower risk of chronic homelessness

LONG-TERM OUTCOMES (SYSTEM LEVEL)

- Fewer people in Denver experience homelessness
- Fewer people experience chronic homelessness
